For faster orders:
 - Write your info clearly. Sounds simple enough, but we've had stuff returned because we misread the address
 - Checks are held until they clear. Money orders or well hidden cash are much better.

* Please use your full (first and last) name.
 ** make sure you pay the correct amount based on your location.

Subtotal

Additional Overseas Postage
(email mike@electrichumanproject.com for exact airmail postage otherwise leave this blank)

The Whole Shebang

mail this sheet and payment to:
 The Electric Human Project
